

Balancing Fire Safety and Habitat Preservation in the Spencer Butte Area

Zoom Presentation
Tuesday, March 16th, 2021
7:00 – 8:30 pm

Presented by the Spencer Butte Neighborhood
Association, SBNA.net.

Learn what we can do to understand and mitigate wildfire hazard in and around our community while keeping our forest and open spaces healthy for wildlife, and providing us with a wonderful place to live.

The **Speakers** are fire and ecology specialists working in our area.

- **Amanda Rau** - Assistant Professor of Practice, Willamette Valley/Cascades Regional Fire Specialist, Oregon State University Extension Service
- **Emily Steel** – Ecologist, Parks & Natural Resource Planning, City of Eugene Parks and Open Space
- **Tim Moss** – Firewise Regional Coordinator, Oregon Department of Forestry, Western Lane District

Gary Tepfer

The presentations will last approximately about an hour, followed by questions for about half an hour. Questions can be submitted during the presentation using the Zoom chat function.

Instructions for connecting to the webinar will be posted on the SBNA website, SBNA.net, by Monday, March 15th.
